Product Description

60" TITAN® MAX Zero Turn Mower

We've put 100 years of pushing-the-limits, ruler-of-the-blade, and never-back-down badassery into our newly created Titan MAX. Our engineers have commercial contractor brains but are evil geniuses when it comes to delivering for the guy with some serious, undomesticated acreage. The Titan MAX is built on a commercial-worthy blueprint, from a pro gene pool, with Iron Forged features and durability. Enjoy the comforts of being a Titan of the industry with a work- and worker-friendly ride, seating, on/off access, and more. If you're looking for commercial-level features, exceptional durability, user-friendly amenities, and powerful reliability all in one mega monster—Meet Titan MAX. Designed and engineered in the heartland of America, this MAXed-out machine grabs work by the horns, rides roughshod over it, and shuts it down.

- **BIG, BAD, and POWERFUL** - One pass with this machine is all it will take to know you'll never mow with anything else.
- **Built Like a Bull** - Rely on commercial-grade components, like the IronForged deck, 10-gauge steel, G-force-generating hydros, and more.
- **Extra, Extra** - Settle into an easy ride with a deck designed let you feel the power, Pro Control Damper System, storage areas, and cup holders.
- **We've Got You Covered** - 4-year, 500-hour limited warranty (commercial or residential) and more than 3,000 dealers across the U.S. and Canada.
