Product Description

Toro GrandStand® 48" 23 HP 747cc EFI - 72518

Rough bumps and challenging terrain are all in a day's work. Feeling them shouldn't have to be. The Toro GrandStand combines the speed and comfort of a zero-turn rider with the on-and-off ease of a wide area walk-behind — creating a fast, maneuverable and more productive alternative. And now the GrandStand is even better with all-new next-generation upgrades that add up to higher productivity, lower maintenance and easier service. This mower has a 23 hp Kohler EFI engine.

- Improve productivity with easy access on and off the machine with up to 10.5 gallons of fuel capacity to mow longer with fewer stops.
- Exceptional visibility from the GrandStand protects the operator, the mower and the property. The operator is better able to steer clear of obstacles, and easily pass beneath branches.
- Toro's foldable operator platform instantly converts the GrandStand to a walk-behind. It easily lowers back down when its time to ride - saving time, money and trailer space by eliminating the need to switch mowers.
- Conserves space to get more machines on your trailer, or allows for a smaller trailer and lighter load.
